WEST PALM BEACH, Fla., April 23 /PRNewswire/ -- The Cosmetic Bootcamp LLC announces its first skin of color symposium at its June meeting in Aspen, Colorado. Leading skin care experts from dermatology and plastic surgery will present the latest information. Sponsorship of this event was made possible by a generous grant from Johnson and Johnson (JNJ) which has a long history of expertise in ethnic skincare. Among the faculty attending this meeting will be Wendy Roberts MD (Chair), Julius Few MD, Jeanine Downie MD, Vic Narurkar MD, Cheryl Burgess MD, Mary Lupo MD and Kenneth Beer MD.

"Given the demographic shifts in the US and worldwide, this is the right time and the right place to have this meeting" says Dr Roberts. "In addition, this is the right corporate sponsor for the event."
